Memory Verse

"For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come."

~ 1 Timothy 4:8

Impress them upon your children. Talk about them when you:

Sit at home

☉ This month there are memory verses for each week. It has been my experience that young kids are VERY capable of memorizing Scripture. Take time to memorize the verses together...Have a contest—who can do it first???

- ☉ How about a devotion at meal time a couple times a week? Read God's word together...memorize it together...talk to God as a family...talk ABOUT God as a family!
- ☉ Let your kids "catch" you reading your Bible when normally you might be reading the News Paper or watching TV.
- ☉ Take turns talking about things that are important in your lives. How can others see those things are important to you? Can others see that God is important to you?
- ☉ Spend some time making a "mission statement" for your family. Print it out and have it framed in an important place in your home.

- 🔊 Get those markers, lip-stick or soap out and write the memory verses for the week on the mirror or the window!
- 🔊 Make a special breakfast one morning a week. At that breakfast set an extra plate at the table and invite Jesus to be your guest.
- 🔊 Wake your child with a prayer and a kiss—say a prayer of blessing over him/her!
- 🔊 Read through the Proverbs this month...one each day—and pray them for your child!

Get up

Lie down

****Check out the back of this sheet for weekly memory verses!**

Deuteronomy 6:7

Along the road

* Use car time to work on your memory verses. Print the verses on a small paper and have them handy to work on!

🔊 Don't forget to pray for God's protection and your safety when you begin each road trip. Thank Him for your safe arrival when you get to your destination, too!

🔊 Talk with your kids about what it means to be disciplined in our every day lives. School work; house work; friendships; free time; finances; even personal hygiene. Ask their opinions and see how they are similar and different from yours

🔊 Don't forget to listen to Christian radio or Christian CD's as you go along the road. 107.7 FM is a good one in this area. 88.5 FM is another choice.
