MOVIE NIGHT!

FRI., FEBRUARY 26TH 6:30-8:30

Bring your kids to a movie night in the Fusion Family Theatre! We're playing the newest Ice Age movie! All kids are welcome...we just ask that kids kindergarten and under are accompanied by an adult! The movie will be free, and popcorn, candy & drinks will be sold. Proceeds for the movie night will be for kids in Haiti & Children's Vision in Bogotá. Everyone's invited to join in the fun!

Hello PromiseKid Parents! This month the basic truth your PromiseKid will learn is "God Loves Me." We hope that as your child attends PromiseKids week in and week out that you have noticed your child really understand that God loves them, that God made them, and that Jesus wants to be their forever friend! For the past several years Crossroads has been using a curriculum called "First Look" - and those are the 3 things that we have been working on. As a Children's Ministry and PromiseKid team here at Crossroads, we have determined that our little ones are ready for a little more "meat" in their diet of spiritual truth! As a result, this will be the last month that we are using the First Look curriculum.

The first weekend in March will be joining 22 other churches across the country that are part of a Beta Test group for the TruWonder curriculum published by David C. Cook. This new curriculum is Biblically based, Spirit lead, and interactive in it's teaching style. They have a "homefront" take home to give you, as parents, some great tools to teach and grow your children! Our whole team is very excited about the changes and we hope that you are, too!

One thing we are very excited about is the worship music that will be produced by TruWonder. When it is complete, it will be made available for families to download for no charge. That way, you can sing along all week long to the songs your kids are learning each week! We will let you know when it's ready!

If you are interested in knowing more about the curriculum, please let Lisa Schultz or Susan Kliment know and we'll be happy to visit with you or share resources.

As always, we want you to remember...what we do here is not NEARLY as important as what you do at home! Have a great month!
