

# March 2010 PromiseKids News

This month we are rolling out our brand new curriculum in PromiseKids. We are very excited about the changes that are taking place. You will notice a few new things and we would love to have you asking your PromieKid what they think! To begin with, you'll notice the memory verse is longer and not a "made simpler" version. We really would love for you to work with your child during the month to master their verses! I am confident they are capable - and with a little help at home, everyone will learn to memorize God's Word.

Our format will be a little different, as well. Kids will come into their rooms for an opening activity, but then they will go to a large group format where they do Mail Time, the Wardrobe of Wonder, and God's Big Story. They will even be visited by a puppet each week! Be sure to ask your PromiseKid all about it. After the large group time your child will be back in their small groups for Respond time. You will pick your child up in their class room at the close of the hour. **Each week there is also a HomeFront for parents to take. The purpose of the HomeFront is so that you will take some time during the week to prepare for the week ahead. It is a great tool to help you be the spiritual champion in your home. We hope you will take advantage of it each week!**

## PromiseKids Singing in big Church Sunday, March 28th!

You heard right! Sunday, March 28th our PromiseKids will be singing a couple of songs in big church! They will be working on their songs each week as a part of their worship time. **On Sunday, March 21st there will be practice on the stage directly following the 10:30 service.** Please go to the worship center to pick your child up that week. On March 28th the kids will be singing at the close of the 9:00 service and at the beginning of the 10:30 service. We hope that makes mornings easier for your little ones and for your family. Please be looking for reminders and exact times as the weekend approaches! If you have questions, please don't hesitate to ask either Lisa or Susan.

**Remember, what we do here isn't nearly as important as what you do at home!**
