

Enthusiastic About Jesus

Jesus told the crowd not to tell anyone, but the more He told them not to, the more they spread the news for they were completely amazed. Again and again they said, "Everything He does is wonderful. He even heals those who are deaf and mute." Mark 7:36, 37

Enthusiastic people, enthusiastic over what Jesus has done.
What do we think when we meet someone who is totally joyful, positive and chooses to say happy and kind things?

I was at a Crossroads gathering, I believe a fundraiser, when a beautiful couple came and sat across the table from me. The lady, I'll call Sylvia, said, "I bet you don't know me." I'm on the spot, not a clue. Yes, I should have known her. Sylvia's grandmother and my grandmother were cousins. Also, when Sylvia was growing up we went to the same church. She was the same age as my oldest son. There was more to this than just knowing who this couple was; this couple radiated joy, thoughtfulness and a special kindness. I saw Jesus in this couple as they continually reached out to others. Their concern for others showed their love for Jesus, their smile and conversation lifted others up and that is precisely what Jesus does.

Because of all the "Sylvia's" at Crossroads Church I want to be more like them as I see Jesus in them. Thank-you enthusiastic people of Crossroads for showing the love of Jesus and thanks for showing everything our Savior provides is wonderful!

Consider this as a postscript for anyone who may read this and not understand. Please meet Jesus at the cross. On your knees ask Him to forgive you, tell Him you want Him in your life and be willing to turn away from all the world's activities that cause you to doubt that Jesus cares for YOU.

When Jesus saw her, he called her over and said, "Woman, you are healed of your infirmity. Luke 13:12

Father, I praise You for calling each of us. Help us to know Jesus cares! Amen
