

# EXPLANATION for Hand-in-Hand Giving Projects

During the Hand-in-Hand Capital Campaign, the Crossroads Church Board approved that for every \$100,000 that comes in, we will give \$10,000 away to **Ministry Projects** outside of Crossroads Church. The Global Outreach team is charged to find these projects using the following guidelines:

1. **Ends of the World** - overseas project that significantly helps a local church, church plant or the training of indigenous church leaders with special consideration given to mission works we already support.
2. **Local Mission Project in Minnesota or Iowa** with special consideration given to missions we already support.
3. **Ends of the World** - overseas mission project that significantly helps to fight hunger or disease among the poorest and most disadvantaged in the world with special consideration given to mission works that have the ability to continue making a difference after the money is spent.
4. **Regional Mission project OUTSIDE Minnesota or Iowa** with special consideration given to relief efforts, evangelism or church planting.

This order of projects is to be repeated until all the money has been raised.

## List of Projects Round 1

1. **Crossroads Training Center** – East Asia – a center for helping people in the area with a goal of reaching them for Christ
2. **Prairie River Bible Camp** – Bricelyn, MN – storage building – needed to make the camp more effective in its ministry to children and youth in southern Minnesota
3. **Children’s Vision International** – Colombia, South America – school for orphans – offering Christian education to orphans so they can become self-sufficient adults who reach others for Christ.
4. **Katrina aid through the EFCA** – New Orleans, LA –

## Round 2

1. **next project – coming soon**
