

GLOBAL OUTREACH

The purpose of **Global Outreach** is to mobilize the people of Crossroads to fulfill Christ's mandate to make disciples of Jesus in every nation.

We will endeavor to accomplish this purpose as follows:

- To determine through prayer and research where/with whom God wants Crossroads to become involved in fulfilling the Great Commission.
- To support through prayer, giving, personal contact, and active involvement the missionaries/ministries God leads Crossroads to partner with, whether in the USA or overseas
- To provide information and regular updates so the congregation becomes aware of God's work around the world
- To identify and invite people who are gifted and interested in cross-cultural ministry to join the Global Outreach team and/or consider going as missionaries
- To support missions efforts by the children, youth and other groups of Crossroads
- To plan regularly-scheduled missions events that are interesting and informative
- To evaluate on an annual basis existing ministries/missionaries
- To make recommendations for increases/changes in financial support
