

GIVE TWO WORDS THAT EXPRESS THE JOY OF LIFE...

by Lynne Andersen

My Faith

Your love

Your word

My words

Children laughing

Children singing

Playing outside

Rain drops

Sunny skies

Hearing laughter

Walking together

Knowing you

Loving you

Loving myself

Being me

My family

My friends

Being born

Giving birth

Writing words

Reading words

Sharing thoughts

Sharing ideas

Keeping secrets

The words are endless...

(What two words can you put together to express your joy?)
